Schedule

- ## VME CPUs
  - ❑ Cards already available
  - ❑ Deliver after 8 weeks after the PO

- ## VME Crates
  - ❑ Deliver after 12 weeks after the PO
  - ❑ Example:
    - o PO by March 17
    - o Delivery, June 9

- **CONCLUSION:** If POs placed before middle of March, modules should not be on the critical path.

- What is the critical path? Probably the Transition crate electronics.
